Work samples are required to be considered for Summerfest. The work samples should reflect how you will sound/look at Summerfest, i.e., if you plan to perform solo at Summerfest, your work sample should be solo, not a highly produced recording.

Where can we hear your music online? (Please list all sites such as YouTube, ReverbNation, Bandcamp, etc, plus your own website if applicable)

Please check here if you plan to mail or drop off your audio samples. We must receive them in our office at 69 E. 100 N., Logan UT 84321, by midnight on February 18, 2018.

We also need a photo of the group/performer to put onto our website. You may email us a photo at performances@logansummerfest.com, or you may mail or drop off a photo, CD, or flash drive.
