

# SUMMERFEST ARTS FAIRE AT TABERNACLE SQUARE ARTS SCHOLARSHIP

## 2012 APPLICATION FOR FUNDING

Please use the attached application form when requesting funds. The purpose of these funds is to foster the development of the arts in Cache Valley.

### **A. Qualifications for Scholarship Funds:**

In 2011, the Summerfest Arts Faire, in appreciation of their venue location at the Logan Tabernacle, established a jointly-named arts scholarship to benefit the community and promote the development of family-friendly arts and related projects in the Cache Valley area, by Cache Valley residents, individuals, businesses and organizations. The funding for the scholarship will come from Summerfest proceeds as well as private donations of art items, other goods and services, and cash donations. Individuals and organizations may apply.

### **B. Criteria considered in determining funding:**

Applications which are filled out completely and provide information as requested will be given priority. The following are also considered when making funding determinations: (1) The planned time frame for completing the project for which funds are requested (normally one year) (2) Percentage of funding from Summerfest, compared to other sources, including the value of donated labor and materials – preference is given to projects which provide additional sources of support and volunteerism (3) Extent of availability or usage of project to the public/patrons - preference is given to projects where wide usage and easy access appears probable and where greater numbers of the potential target market will benefit. (4) What are the patron or participant costs to use the project/services or facility? (5) Detailed applications which include information including actual bids as opposed to rough estimates, will be given preference (6) After the first year, identification of past Summerfest funding, if any, and the effective use of those funds.

*Past funding of an organization will not be considered as setting a precedent for future funding! Each year requests will be reviewed based on their own merits. Agencies which have not used previously awarded funds may jeopardize their chances for new funding.*

Applications must be filled out completely including a concise overall budget of the organization, and the financial details for the specific funding request. **All information should be limited to the pages provided on the application except where additional information is requested.** Questions concerning the application request should be directed to Marianne Sidwell at 435 213-3858, You may also email questions to [info@logansummerfest.com](mailto:info@logansummerfest.com).
